

REMARKS

The Office Action required restriction between Group I (claims 7, 16 and 17) and Group II (claims 12-14). Applicants elect Group II, without traverse, for further prosecution in the present application while reserving the right to file a further divisional application to the subject matter of Group II.

By this Amendment, Applicants have cancelled elected claims 12-14 and substituted therefore new claims 19-29 which more particularly point out and claim the elected invention.

Favorable consideration and allowance of claim 19-29 is respectfully requested.

If any fees are incurred as a result of the filing of this paper, authorization is given to charge Deposit Account Number 23-0785.

Respectfully submitted,

WOOD, PHILLIPS, KATZ, CLARK & MORTIMER
